

Super Cow (past)

There was a girl. She was a beautiful blond. Her name was Buffy and she lived on a farm with vampire cows. The cows loved to suck blood! Dracula (King of the Vampires) once owned them! One day, there was a powerful rainstorm! It **lasted** 7 days!

The rain turned into a big river **flowing** by Buffy's farm. She moved her cows to higher ground. But she **slipped** and hit her head on a giant tree. The fall **knocked her out** for **a moment or two**. When she **came to**, Xander was licking her face. Xander was her favorite cow.

The water **rose**. Buffy got up and walked with Xander. The water was then **waist high**. Buffy was tired. Finally she threw her arm around Xander's neck and **hung on**. 27 minutes passed and Xander pulled Buffy out of the water. They were on a small island in the middle of the big river. It was noon. The sky was dark and it rained very hard. **Rescuers discovered** Buffy **right away**. A plane took her to an emergency room at the hospital.

Two days later, Buffy **went back** to the island. Xander was gone. He was one of 17 vampire cows that Buffy lost. Buffy cried and cried. Buffy said "I **owe my life** to him **after all!!!**" "He saved me."
